## Best Suits in America for \$15

We are willing to be judged by our \$15.00 Suits. In the first place, they are equal to the usual \$18.00 and \$20.00 Suits sold elsewhere. That's a saving to begin with. Then they are the famous "Rossman Clothes," and that speaks volumes for their style, materials and workmanship. That's the whole thing in a nutshell. But another point is that there are hundreds of good dressers in town who think they are the best ever; and we want a lot more men to try them who think that \$15.00 ought to buy a rattling good Suit. Better try one. A new lot of patterns just in from their celebrated workshop. "Rossman-made Clothes" bear the Union label.
